

BOSCHENDAL

CELLAR DOOR

At Boschendal, we balance tradition and experience with our pioneering farming practices, allowing us to produce premium wines of exceptional quality. Through the conservation, preservation, and restoration of our special environment, we promote a habitat of biodiversity both in our vineyards and surrounding vegetation.

Enjoy award winning Boschendal wines with our carefully selected, locally sourced cheeses, our delicious charcuterie made here in our farm butchery, or pair with our hand crafted chocolates. Our pairings are all designed to perfectly balance the flavours of each of our wines.

Please note we are a cashless farm
